

## NEC Corporation of Malaysia Launches New Smart Communication Server SL1000 for small and medium enterprises

KUALA LUMPUR, January 19, 2011 - [NEC Corporation of Malaysia Sdn. Bhd.](#) ("NEC Corp Malaysia") launched a new **Smart Communication Server - SL1000** - in Malaysia yesterday. The SL1000 is an intelligent cost-effective telecommunication system that packs affordability, efficiency, IP-telephony and ecology all into one, and is equipped with the capabilities to adapt to functions for immediate or emerging business needs of small and medium enterprises (SMEs), and small offices, home offices (SOHOs).

(From L - R: **Mr Daisaku Takeuchi**, Managing Director of NEC Corporation of Malaysia Sdn. Bhd.; **Mr. Taichiro Hashizawa**, Vice President and Senior General Manager, Platform BU, IT Network Global Solutions Division, NEC Corporation; **Mr Kiyo Takahashi**, General Manager, Network Communication Division, NEC Infrontia Corporation; **Mr Melvin Chong**, Manager, Network Channel Division, NEC Corporation of Malaysia Sdn. Bhd. at the launch of NEC's Smart Communication Server - SL1000.)

Mr Daisaku Takeuchi, Managing Director of NEC Corporation of Malaysia Sdn. Bhd. remarked, "The SME market is one of the key markets leading the economic growth in Malaysia. Over 100,000 small and medium enterprises contribute to more than 40% of the country's economic output. NEC aims to support this growing sector with our telecommunications technology, such as our latest SL1000, which has a scalable architecture with enhanced security features, and mobile integration to assist SMEs in expanding their businesses."

*(Mr Daisaku Takeuchi, Managing Director of NEC Corporation of Malaysia Sdn. Bhd. presenting the new SL1000.)*
